Explore the world of musical theatre, make new friends, and experience the excitement of being on stage in an all-inclusive performing arts experience! Students will work with an experienced creative team to prepare a fantastic musical performance, design costumes, and build original sets. There is no experience necessary! All that is required is curiosity and the desire to have fun in a creative environment. The process allows young artists with a wide range of skills and talents to explore their own interests and imaginations while working collectively as a group for a common goal. The Lafayette Theatre Academy’s annual performance camp is led by director and theatre educator, Valerie Longshore-Sargent.
